March 1, 2018

Greetings Steven Restivo,

Attached please find the final approved Medical Plan for the upcoming event titled "167th St Patricks Day Parade and Festival" scheduled for 10:00AM on Saturday March 17, 2018 until 5:00PM on Saturday March 17, 2018. I hope your Event is successful and I am available during business hours to answer any questions or address any concerns that you may have. A copy of your Plan will be held on file in my office to reference and compare against any future plan that you may submit. Some elements of your submitted Medical Plan will not be included in the approval package, but will be kept as hard copies in the EMS Agency File.

A member of the EMS Agency may visit your Event in order to confirm that all required and contracted Medical Services are appropriate and present. They will present Identification to the Primary Emergency Contact as listed in your submitted Plan. Please remember that an after action report must be submitted to my office within 14 days of the close of your operational period.

Regards,

A handwritten signature in blue ink, appearing to read "Aram L. Bronston".

[2018 St. Patrick's Day Festival](#)

EVENT FOOTPRINT RESPONSIBILITY

The medical group supervisor or the event coordinator must contact the dispatch supervisor at DEC (phone: 415-575-0737) to take responsibility for the event footprint at the beginning of each operational period and release responsibility for the footprint at the end of each operational operation_period.

CPR & 911

During the operational period of the event safety personnel will follow the existing communications plan and will contact 911 only if medical needs overwhelm the capabilities of dedicated contracted medical assets. All medical interventions are the responsibility of the dedicated/contracted medical staff.

COMMUNICATIONS

All event safety personnel will have a list of contact info and will be communicating as specified in the Medical Assets section

In case of emergency during the event, the event coordinator can be reached at all times at:

STAFF RESPONSIBILITY

All contracted medical interventionists will be active, current, and in good-standing at the time of the operational operation_period. The event producer will ensure that a complete staff list is provided no less than one week prior to the first operational period.

MCI CAPABILITIES

A written MCI plan and an approved MCI will be present at the event. All contracted responders will be briefed and trained on their contents and use.
